Volume 2 / Issue 3

July – September 2015

## FROM THE ADMINISTRATOR'S DESK

Thank you to everyone who attended the Town Hall Meeting on June 16 at the Strasbourg Memorial Hall. There were many Town residents in attendance and a lot of good issues were discussed. We will be having meetings such as this on an annual basis.

The Bylaw Enforcement Officer (BEO) program has been implemented in the Town. The Council appreciates the cooperation of the ratepayers with the BEO as he enforces the bylaws. Please be aware that any complaints made to the Town Office regarding animals or nuisances need to be given to the Administration in writing with the copies being signed and dated. Complainants' personal information will never be given out by the BEO or Administration.

The Free Landfill Weekend held on the May Long Weekend was well utilized by the Town residents. There were 103 loads taken to the Landfill and over 80 different households using the service. Thank you to those who provided proper identification to the Landfill operator demonstrating your civic address. While this was a trial run program, Council felt that it was quite successful, and would like to offer it in the fall and again in the spring on an annual basis. Watch for advertising!
