Born in former Czechoslovakia, attended The Cheb Agriculture College. After graduating I served two years in the army (sergeant). In 1980 escaped through Yugoslavia to Austria and in 1981 came to Canada. Worked in agriculture as a dairy herdsman, manager. Operated own ET and AI business. Further educated myself at UBC and Okanagan University College- MCSE. Operated IT company. Came to Saskatchewan in 2009 to operate a dairy farm. From 2011 to 2017 worked as a Town Foreman for Town of Strasbourg.

Presently working for the RM of McKillop as a water treatment plant operator in Sun Dale Resort.

In the past volunteered as a coach/ manager in soccer - men and women. Past chairman of Deep Creek Recreation Society(BC).

I would like to make the Town of Strasbourg a better place live, I will listen to your concerns. Let me be your voice on the council.

Thanks,

Bo Black
