

My name is Lorne Gottselig and I have been a resident of Strasbourg for over 32 years. I am a high school Math teacher at William Derby School. My wife Wendy and I, have one son, Josh.

While in Strasbourg, I have been actively involved in many groups. I have been a member of the Strasbourg Lions Club for over 25 years. I am a founding member of the Last Mountain Theatre Company. Currently I sit on the Emergency Measures Organization for the Town of Strasbourg as the Information Officer.

I am an avid curler, and have coached junior and senior curling teams at WDS for many years. I am a member of the Strasbourg Curling Club and I have been a member of the Curling Club Board.

I love the Town of Strasbourg and call it my home. I look forward to taking on a greater role by serving on Town on Council if elected.

Thank you!

Lorne Gottselig
