Report to Council Meeting - 27 Apr 22  
Sherry Burgess

I am taking part in the Webinar Series Called Good Governance. I missed the first part "Know Thyself", but watched it on Thursday 21 Apr. I really found it valuable to take a good look at myself, my behaviours and how I react to situations, etc. I had my "type " written down, but as the Webinar went on, I had to change who I thought I was in some areas.

The second part was Maintaining a Healthy Commitment through a Cohesive Council. This Webinar focused on working together as a team, engaging in Productive conflict, tips for good meetings, etc. I found it very interesting and hopefully results will show in my participation in our meetings in the future.

I am looking forward to the 3rd part of the series on May 10th.

I attended , along with Bo, the RCMP meeting in Southey on 25 Apr. There was a good attendance from resorts , towns and municipalities that the Southey detachment is responsible for. Key concerns that were expressed by many of the attendees were 1. Visibility and 2. Traffic. We met Shaun Perry , who is the newest member of the detachment and who is moving to Strasbourg in early May with his fiancée and child. It was a very good opportunity to meet three of the members (Kim Stewart, Brandon ??? and Shaun) and hear of concerns across the territory. Both Bo and I believe that having Shaun living in the community will help to alleviate a few of the bad behaviours here in Strasbourg.
