## MAYOR'S MESSAGE

The Town of Strasbourg has once again had a busy and successful year. There are always numerous activities and events happening in town with great participation from the community.

New businesses have opened or are in the process of opening. The local housing market appears strong. One of the most exciting events this summer was to have the grand opening of our new revitalized Lions Park. It has already been a huge success and a hub for many during the summer.

Looking forward we want to continue to make Strasbourg the place to live and visit. We aim to serve our residents with the best services and quality of life possible. Our long term plans continue to be an upgraded fire hall, revitalization of our sports park and possibly an assisted living facility. Major projects like these take time and tremendous effort and planning but we must continue to be proactive and responsible in our planning to make our town the best it can be.

November was once again time for municipal elections in the province. I want to thank everyone who considered serving the Town in the capacity of Mayor and Council and want to congratulate Vicki Cornwell and Rick Schulz as our new Council members. Also congratulations to our incumbents Peter Barry, Sherry Burgess, Lorne Gottselig, and Rodger Yauck and I look forward to serving together with you for the betterment of our town. I want to also take this opportunity to thank Bo Black and Bernie Josephson for their time spent on Council and for their contributions during their time as councillors.

Christmas is almost upon us as we near the end of another successful year in town. This is a time of year when we are blessed to meet with friends and family to share precious time together and to celebrate the birth of Jesus our Saviour. The scripture records the angels message of this birth as "good news of great joy for all people" because "a Saviour who is Christ the Lord" was born. May this message be an encouragement and give hope and joy to all as we live our lives serving the Saviour and those around us. Merry Christmas and Happy New Year to all!

*Mayor Kelvin Schapansky*

# Strasbourg Museum Christmas Fundraiser

This Christmas season the Strasbourg and District Museum is trying a new fundraiser. We have signed up with Purdy's Chocolates, a Canadian company that gives us a portion of order profits. The more we sell, the more we make! Please take a few minutes to check over the selection - they even have no sugar and vegan options! If you wish to sign up and order from our campaign, you will need to enter the campaign email to start, which is [strasbourgmuseum@sasktel.net](mailto:strasbourgmuseum@sasktel.net). I have ordered these in the past, and they are delicious!

Order deadline is November 30th, so they can be here for Christmas!

\*If you try on your phone and have difficulty, some find using your computer is easier, as the website is more visible on your desktop.
