FROM THE FIRE CHIEF'S DESK 2025 YEAR IN REVIEW

The Strasbourg & District Fire & Rescue (SDFR) had a fairly busy year with 23 calls for service as well as four inspections and occupancy load calculations.

We had 10 fires including a large farm yard fire. Thank you to Earl Grey Fire Department for the help of mutual aid. We had six motor vehicle collision (MVC) calls, three false alarm calls, two STARS landings, and two EMS lift assists.

SDFR is down in membership as we had some people retire. Currently we are at 24 members. We are always looking for new members we meet the second Thursday and last Wednesday of each month at the Fire Hall.

Our training highlights for the year consisted of a Canadian Pacific Railway mock train derailment, anhydrous ammonia, advanced vehicle extraction, as well as CPR/First Aid. We had six members travel to the Saskatchewan Volunteer Fire Fighters Association (SVFFA) Fall School in Swift Current where they trained on everything from Firefighter Basics to participating in the SVFFA's new LIVE fire training module. Thank you to Canadian Pacific Railway and Prairie Co-op for helping with training.

NEW TOWN COUNCIL MEMBER

My name is Gerard Frison and I have been a resident of Strasbourg since 1988. I am a retired senior science and math teacher having taught my entire 34 year career at William Derby School in Strasbourg. In addition, the last 6 six of my career I served as President of the Horizon Teachers Association.

My wife Sandy and I have two sons, Matthew and Lucas who both reside in Regina with their spouses and children. I am thoroughly enjoying being a grampa, spending time playing with and watching my 4 grandchildren grow and learn. I am an avid gardener, sports fan and golfer. I am interested in being a member of council to learn and become a guiding member of Strasbourg's future.

Strasbourg is a great town and I feel it has developed a respected name in the province. It has so much to offer and will continue to be a focal place for the surrounding area. My vision is for Strasbourg to become for new people what it has become for me, Home!

FIRE CHIEF'S REPORT 2025 YEAR IN REVIEW

...continued from front page

August saw SDFR receive a new quick attack skid donated by Global Medic through the Saskatchewan Association of Fire Chiefs (SAFC). This unit was installed in one of our member's trucks, and lo and behold, the day it was completed, it was put to use on a call.

June 7, 2025 saw SDFR host our fourth annual Golf Tournament at the Strasbourg Golf Course. Thank you to the Strasbourg Golf Club for donating the course fees. We will be having a fifth tournament; the date to be determined. And THANK YOU to all the businesses for your donations to this event. Between the golf tournament and our raffle, we raised just shy of \$21,000.00 including the SLGA portion. This money goes directly into our New Fire Hall fund. THANK YOU to everyone who helps make these fundraisers a success.

You may have noticed the sound of sirens during normal business hours (7:00 a.m. - 10:00 p.m.). We will be using them during this time in town on calls to stay compliant with Highway laws.

On behalf of the SDFR, I hope everyone has a safe 2026.

Greg Yung, Fire Chief
SDFR

SNOW REMOVAL REMINDERS

Winter is well underway, and the Town of Strasbourg would like to share a few friendly snow removal reminders to help keep our community safe and accessible for everyone.

Property owners and occupants are reminded that snow should not be pushed onto streets, sidewalks, public spaces, or neighbouring properties. Driveway ridges created during street clearing may be removed by Public Works only when time permits and after higher-priority snow removal has been completed.

Town crews continue to work hard throughout the winter.. Priority is given to main routes, emergency access streets, and select sidewalks before moving on to residential streets, alleys, and other areas as conditions allow. We appreciate everyone's patience during and after snow events.

For those looking to get outside safely, residents are reminded that walking paths are available in the Lions Park and offer a great option for winter walks. As always, proper footwear and extra caution are encouraged when conditions are icy.

Thank you for doing your part to help keep Strasbourg safe, walkable, and welcoming all winter long.

Just a Note:

The Town Office is currently under renovation and we will be moving our office permanently to the vacant rental space in the Administration Building in the next few weeks. Our current office space will then be returned back to a full Council Chambers as it used to be a few years ago. These upgrades will provide the staff and Council some much needed space with room for future expansion, improve overall functionality and privacy in both spaces, resolve some internal building heating and cooling issues, and provide a better boardroom for outside organizations to be able to utilize.

When you come to see us at the Town Office in the future, just walk straight ahead to the new office!
