PARK & BOULEVARD TREES

Many thanks to those who have donated towards the trees in the Lions Park and Green Space. The first round of trees have been planted and several more will be planted in the spring. There are still more trees available for donation. For \$500, you can donate to a new tree and a plaque will be made in honour of who you choose. Donations can also be made to the tree program overall. Any donations will receive a tax deductible receipt from the Town.

The Town is also looking for expressions of interest from property owners in regards to having boulevard trees planted in front of your home. The type of tree and exact placement will be determined by the Town, and not all properties will be approved. If you are interested in having a new tree in front of your property, please contact the Town Office to get on the list.
