TOWN HALL MEETING HIGHLIGHTS

Thank you to everyone who attended the Town Hall Meeting on October 21, 2026 hosted by your Town Council. Council shared updates on projects completed, initiatives underway, and priorities for the coming years. There were 36 ratepayers in attendance, along with the seven Council members and six full-time staff members. Congratulations to our draw winners Ray Craswell & Rita Kerr.

INVESTING IN STRASBOURG

Asset Renewal: Between 2016 and 2026, the Town has invested over \$8.1 million in municipal asset renewal and capital purchases, including improvements to the lagoon, water treatment facilities, roads, municipal buildings, equipment, and parks.

Grant Funding: In 2025/2026, the Town also secured \$865,356 in grant funding to support a variety of projects and services. This funding has helped with tree planting, infrastructure improvements, Memorial Hall upgrades, mobility bus operations, recycling, and community programming.

Strategic Plan: Council and administration also completed a new Strategic Plan focused on responsible growth, economic development, housing, reliable services, and maintaining Strasbourg's high quality of life.

COMMUNITY IMPROVEMENTS

Cemetery & Columbarium: A new 48-niche columbarium is to be installed in spring 2027. Niches are available for pre-purchase at \$2,000 each, accommodating two urns. Cemetery plots are now \$750, and work is underway on a searchable online cemetery map. The Town is also exploring a designated pet burial area and seeking volunteers for a Cemetery Beautification Committee.

TOWN HALL MEETING CONTINUED...

Brick of Fame: Residents, families, businesses, and organizations can leave a lasting legacy through personalized plaques displayed on the Town Office exterior. Bricks are \$150 each or three for \$400, with proceeds supporting community beautification and improvement projects. **Bricks are now available for purchase. Order form is available on the Town's website, at the Town Office, and in the Spotlight.** Official unveiling of the Brick of Fame will be on August 7, 2027.

Tree Planting: The Town planted 55 new trees in 2025/2026, including 39 Lions Park trees, 3 Green Space trees, and 16 boulevard trees. An inventory of 997 Town-owned trees was also completed. The Town plans to plant approximately 20–25 new trees annually while continuing to remove dead and hazardous trees. The Town is looking for property owners who like to help maintain boulevard trees in the coming years.

IMPROVING MUNICIPAL SERVICES

Water Meter Project: Installation of new water meters and radios is underway, with 77 completed to date (18% of the Town). The project will improve billing accuracy, help identify leaks, and eventually allow residents to pay based more accurately on actual water consumption.

Garbage & Recycling: Changes to the Town's garbage and recycling program, including removing or securing downtown bins and adjusting waste management responsibilities, have resulted in approximately \$6,000 in monthly savings in tipping fees.

Fire Protection: The Council discussed the ULC insurance rating for the Strasbourg & District Fire & Rescue (SDFR) Department, and because of it's higher ULC rating, property owners pay lower insurance premiums within the Town. Discussion was also had on the plans for a new fire hall, and the challenges faced securing funding for this necessary project. The SDFR currently has 28 members and has so far responded to 22 calls in 2026, serving Strasbourg and surrounding communities. **Further information on the calls is listed in the Fire Department Update later in the Spotlight.**

TOWN HALL MEETING CONTINUED...

MEMORIAL HALL & EMERGENCY PREPAREDNESS

Major improvements to the Memorial Hall include foundation repairs, new electrical and kitchen cupboards, LED lighting, audiovisual equipment, and new tables. The Hall is now a licensed facility, and a dedicated Hall Committee is hosting monthly fundraising events.

The Town also purchased a portable backup generator, allowing the Memorial Hall to serve as a community warming centre during extended power outages. Strasbourg's Emergency Measures Organization continues to maintain and exercise emergency plans, and the Town is seeking a local EMO Coordinator.

PROPERTY TAX & UTILITY CHANGES

Several changes to municipal taxation and utility accounts have been introduced:

- **Property Tax Discounts:** A 6% discount on the municipal portion was offered from January to June 2026, followed by 4% in July. Discounts ended after July.
- **Utility Interest:** Effective October 1, 2026, 8% interest applies to unpaid quarterly utility accounts. Accounts remaining unpaid 30 days after notice will be transferred to property taxes.
- **Property Tax Interest:** Beginning January 1, 2027, a one-time 15% interest charge will apply to unpaid property taxes, replacing the previous monthly interest system.

LOOKING AHEAD

Several projects remain underway, including the Erickson Road walking path, online cemetery database, Phase II environmental assessment at 111 Mountain Street, and continued water meter and radio installations.

Strasbourg also continues to be a leader in community initiatives. The Town was among the first Saskatchewan communities to achieve Age-Friendly status in 2018, and its Age-Friendly Bylaw is the first of its kind in the province. The Age-Friendly Committee has been represented at a provincial level at the Saskatchewan Urban Municipalities Association (SUMA) as well have an upcoming invitation to the Legislature.

BUILDING A STRONGER STRASBOURG TOGETHER

From infrastructure renewal and financial efficiencies to beautification and emergency preparedness, the Town continues to invest in projects that make Strasbourg a great place to live, work, and raise a family.

Thank you to our residents, volunteers, community organizations, Council, and staff for their continued contributions to our Town's success!

Since the beginning of September, the Strasbourg & District Fire & Rescue (SDFR) Department has responded to three emergency call-outs. These included two motor vehicle rescues in RM 250 and RM 219, as well as one STARS air ambulance landing assistance in Strasbourg.

To date in 2026, the SDFR has responded to 22 calls, including:

- 5 EMS Lift Assists in Strasbourg
- 2 Rescue Calls in Strasbourg
- 1 False Alarm in Strasbourg
- 1 Fire Call in Strasbourg
- 1 STARS Landing in Strasbourg
- 4 Fire Calls in RM 220
- 3 Rescue Calls in RM 220
- 1 Mutual Aid Fire Call at Arlington Beach
- 2 Rescue Calls in RM 219
- 1 STARS Landing in Island View
- 1 Rescue Call in RM 250

In addition to responding to emergencies, members continue to dedicate their time to regular training and meeting twice a month at the Strasbourg Fire Hall. In the spring, six members attended Fire School in North Battleford including live fire training, SCBA training, firefighter basic training, and fire inspections.

We're looking for new members! Strasbourg & District Fire & Rescue is always looking for dedicated individuals interested in joining our volunteer fire department. Whether you have previous experience or are simply interested in giving back to your community, we encourage you to reach out and learn more about becoming part of the team. Volunteering is a rewarding opportunity to learn valuable skills, build friendships, and make a real difference in your community.

Finally, we extend a heartfelt thank you to our community for your continued support! Your generosity, encouragement, and appreciation mean so much to our volunteer firefighters. We are grateful to serve such a supportive community and thank our members for the countless hours they dedicate to keeping Strasbourg and the surrounding area safe.
