## LEGACY TREE PLANTING

The Town is now accepting donations towards new trees in both the Lions Park and the Green Space! The Town will be planting approximately 40 trees this fall within the Park and three in the Green Space, with more trees to be planted in the spring on the boulevards. Each tree is going to be between 9' to 15' tall at the time of planting. The tree locations and varieties were determined by professional arborists with specific trees being allocated to specific locations. The tree varieties are hardy to prairie climates.

Each tree donation is \$500.00, which comes with a plaque, and you can choose the location of your tree based on the map. You can also donate money in any denomination towards the tree planting project as a whole. Any monetary donations will receive a tax deductible receipt from the Town. The tree donation application form with the maps are located within the Spotlight. You can also find the form online at [www.townofstrasbourg.ca](http://www.townofstrasbourg.ca) or at the Town Office.

Please contact the Town Office to sponsor your tree!
