		1 Litre & over	$0.25

Recycling Tips

All containers **must have lids removed** in order to receive deposit refund.

Sorting your containers by these material types will save you a lot of time in the depot.

Rinsing your containers will help eliminate any of the odours and help keep your next visit clean.

Flattening your containers **lengthwise** will save a lot of space in your bags.

SARCAN RECYCLING

Non-Deposit Accepted Items

No deposit?

No lines!

No need to wait in line if you are returning non-deposit items. Each of our locations will have a dedicated drop off area for these items.

Ask the cashier where these areas are at your local SARCAN depot

Household Paint

Latex, oil-based paint and stain, primer, varnish, finishing oil, sealer, aerosol (spray) paint, empty paint cans

Paint must be recycled in it's original container with the label intact, sealed and free from leaks or excessive damage.

Electronics

Computers, keyboards/mice, printers, TVs, audio & visual equipment, phones, cameras, microwaves, photocopiers

Consider wiping all of your personal data off your devices before you choose to recycle them.

Batteries

Rechargeable batteries, alkaline batteries, coin cell batteries (watch/hearing aid), eMobility batteries (scooters/eBike)

Must be non-lead and under 5 kg. Tape the terminals of your batteries or place them in a plastic bag to prevent accidental fires.

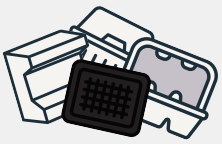

Flexible Plastic

Plastic bags, zipper-lock pouches, chip bags, candy wrappers, net plastic bags, shrink wrap, bubble wrap, food storage bags

Use an accepted flexible plastic bag to collect and store your clean flexible plastics. At the depot, simply drop it in our bagstand.

Foam Packaging

Foam cushion packaging [Also known as Styrofoam™), foam takeout containers, foam food trays, foam egg cartons

Make sure your foam is empy and clean, with white foam and coloured foam in separate bags. At the depot, dump your bags into ours.

Non-beverage Glass Containers

Food jars, (pickles, jams/jellies, etc.), food/sauce bottles, baby juice bottles, canning jars, glass storage containers

Must be clean, intact and not broken, with the lids and caps removed. You can store and return these with your deposit glass.
